8 **SECTION 401. SHORT TITLE.**

9 This title may be cited as the “National Capital Area  
10 Interest Arbitration Standards Act of 1995”.

11 **SEC. 402. FINDINGS AND PURPOSES.**

12 ~~(a) FINDINGS.~~—The Congress finds that—

13 (1) affordable public transportation is essential  
14 to the economic vitality of the national capital area  
15 and is an essential component of regional efforts to  
16 improve air quality to meet environmental require-  
17 ments and to improve the health of both residents  
18 of and visitors to the national capital area as well  
19 as to preserve the beauty and dignity of the Nation’s  
20 capital;

21 ~~(2)~~ use of mass transit by both residents of and  
22 visitors to the national capital area is substantially  
23 affected by the prices charged for such mass transit  
24 services, prices that are substantially affected by

1 labor costs, since more than  $\frac{2}{3}$  of operating costs  
2 are attributable to labor costs;

3 (3) labor costs incurred in providing mass tran-  
4 sit in the national capital area have increased at an  
5 alarming rate and wages and benefits of operators  
6 and mechanics currently are among the highest in  
7 the Nation;

8 (4) higher operating costs incurred for public  
9 transit in the national capital area cannot be offset  
10 by increasing costs to patrons, since this often dis-  
11 courages ridership and thus undermines the public  
12 interest in promoting the use of public transit;

13 (5) spiraling labor costs cannot be offset by the  
14 governmental entities that are responsible for sub-  
15 sidy payments for public transit services since local  
16 governments generally, and the District of Columbia  
17 government in particular, are operating under severe  
18 fiscal constraints;

19 (6) imposition of mandatory standards applica-  
20 ble to arbitrators resolving arbitration disputes in-  
21 volving interstate compact agencies operating in the  
22 national capital area will ensure that wage increases  
23 are justified and do not exceed the ability of transit  
24 patrons and taxpayers to fund the increase; and

1           (7) Federal legislation is necessary under Arti-  
2       cle I of section 8 of the United States Constitution  
3       to balance the need to moderate and lower labor  
4       costs while maintaining industrial peace.

5       (b) PURPOSE.—It is therefore the purpose of this Act  
6       to adopt standards governing arbitration which must be  
7       applied by arbitrators resolving disputes involving inter-  
8       state compact agencies operating in the national capital  
9       area in order to lower operating costs for public transpor-  
10      tation in the Washington metropolitan area.

18               national capital area; and

5           the interstate compact agency, to obtain the nec-

20                jurisdictions participating in the compact to pay  
21                for the costs of providing public transit services;

24                during the term of the collective bargaining  
25                agreement to which the arbitration relates, of

1 the residents of the Washington, D.C. metro-  
2 politan area, and the effect of an arbitration  
3 award rendered pursuant to such arbitration on  
4 the respective income or property tax rates of  
5 the jurisdictions which provide subsidy pay-  
6 ments to the interstate compact agency estab-  
7 lished under the compact.

8 **SEC. 404. STANDARDS FOR ARBITRATORS.**

9 (a) ~~FACTORS IN MAKING ARBITRATION AWARD.~~—An  
10 arbitrator rendering an arbitration award involving the  
11 employees of an interstate compact agency operating in  
12 the national capital area may not make a finding or a deci-  
13 sion for inclusion in a collective bargaining agreement gov-

15 following factors:

16 (1) The existing terms and conditions of em-  
17 ployment of the employees in the bargaining unit.

18 (2) All available financial resources of the inter-  
19 state compact agency.

20 (3) The annual increase or decrease in

9           physical requirements, educational qualifications, job  
10          training and skills, shift assignments, and the de-  
11          mands placed upon the employees as compared to  
12          other employees of the interstate compact agency.

14          in the bargaining unit, including—

15                (A) the overall compensation presently re-  
16                ceived by the employees, having regard not only  
17                for wage rates but also for wages for time not  
18                worked, including vacations, holidays, and other  
19                excused absences;

20                (B) all benefits received by the employees,

24                ment.

4     ~~national capital area may not, with respect to a collective~~

6     ~~ment, provide for salaries and other benefits that exceed~~  
7     ~~the interstate compact agency's funding ability.~~

8       ~~(c) REQUIREMENTS FOR FINAL AWARD.—In resolv-~~  
9     ~~ing a dispute submitted to arbitration involving the em-~~  
10    ~~ployees of an interstate compact agency operating in the~~  
11    ~~national capital area, the arbitrator shall issue a written~~  
12    ~~award that demonstrates that all the factors set forth in~~

14    ~~An award may grant an increase in pay rates or benefits~~  
15    ~~(including insurance and pension benefits), or reduce~~  
16    ~~hours of work, only if the arbitrator concludes that any~~  
17    ~~costs to the agency do not adversely affect the public wel-~~  
18    ~~fare. The arbitrator's conclusion regarding the public wel-~~  
19    ~~fare must be supported by substantial evidence.~~

20    **SEC. 405. PROCEDURES FOR ENFORCEMENT OF AWARDS.**

22    ~~the case of an arbitration award to which section 404 ap-~~  
23    ~~plies, the interstate compact agency and the employees in~~

12 employees concerned may file a civil action in a court  
13 which has jurisdiction over the interstate compact agency  
14 for review of the award. The court shall review the award
